

Press Release 26/09/2011

HISP Certification Training is organized on 17/10 from BESECURE in Nicosia, Cyprus

Holistic Information Security Practitioner Certification Course is organized from BESECURE in Nicosia, Cyprus. The Holistic Information Security Practitioner (HISP) training and certification program is designed to show you how to more efficiently achieve multiple regulatory objectives for information security and privacy with a unified approach to IT best practice frameworks.

The objective of this course is to provide participants with the necessary skills to implement a corporate Information Security Management System (ISMS) framework that is compliant with the requirements of ISO 27002, EU Directive on Privacy, PCI Data Security Standard, Sarbanes-Oxley Act (Security), UK Data Protection Act and meets the certification requirements of ISO 27001.

Training is suitable for anyone tasked with the implementation and management of an ISO 27002:2005 based information security management system (ISMS), anyone tasked with ensuring compliance with EU Directive on Privacy, BASEL II, SOX Security, PCI Data Security, NIST 800-53 and other regulations, information security consultants, auditors and IT Managers/directors.

The seminar is conducted by Taiye Lambo the international subject matter expert in the area of Information Security Governance; with years of experience in design & implementation of Intrusion detection and prevention systems, Honeypots, Computer Forensics, Ethical Attack & Penetration Testing, Biometric Identification, Network Security Architecture, Information security governance. He is the founder of the UK Honeynet project and has worked as a security consultant and head of security at leading companies such as Jefferson Wells, John J. Harland, UK Office of Governance Commerce (OGC), Times Newspaper.

The Information Security Breaches Matrix 2005-2011 will be provided for free to those who pre-register for the training

Attendants receive 35 CPE credits. More information available at <http://www.hispcertification.com>
